Welcome

Back to School means back to my desk. I'm looking forward to seeing what this year holds for all of us!

What is Hope?

Hooray, I'm in another poetry collection! This poem, along with the entire collection, is great for combatting back to school jitters!

ROCKET

by Kelly Conroy

When facing brand-new obstacles has got you stuck or scared, try this little exercise to help you feel prepared:

Pretend that you're a rocket ship. Hear your engines roar. Count down 5, 4, 3, 2, 1, then lift off.

Blast off.
Soar!
